

Additional Parking at Resource Center New York

There are parking spaces available along Hoyt Avenue, but if none are open during your visit, we also have spaces available in a lot accessible from Mamaroneck Avenue.

DIRECTIONS

1. From the Resource Center, head northeast on Hoyt Ave.
2. Turn left onto Mamaroneck Ave.
3. Turn left into the alley between the Sunoco station and Bilotta. Note, this alley is a single lane and the only entrance to the parking lot. Look for exiting traffic before turning.
4. Bullseye's marked parking spaces are on the far end of the lot.

FROM THE LOT TO BULLSEYE

A foot bridge near the entrance of the parking lot provides a nice shortcut across the Sheldrake River. Once on the other side, turn right to continue to the back door of the Resource Center.
